

Multi-Sport Days 2022

For students with disability

Multi-Sport Days provide students with an opportunity to experience a variety of sports, modified to suit their needs

State and national sporting bodies support these events, delivering fun, inclusive and engaging activities to build students' confidence and capacity in sport.

Teachers are also upskilled, learning new ways of adapting their lessons and teaching style, making sport accessible for all.

Registrations for Multi-Sport Days will open as follows:
