

# Race Around Australia (RAA) basics

## Milestones

As teams enter RAA kms and move around the map, they will unlock milestones. The milestones contain interesting facts, as well as indigenous and curriculum links.

The recently achieved milestones and upcoming milestones are calculated and displayed at the bottom of the class team dashboard page.

### Next milestone

Class: Myall Creek - 'Mapping the Myall': Quick Facts

139.7 Km to go

#### Recent class milestone

[View all reached](#)

You have entered Darug Country

#### Upcoming class milestone

Myall Creek - 'Mapping the Myall': Quick Facts

All milestones achieved will be archived for viewing at any time by selecting the **'View all reached'** link in the 'Recent class milestone' section above. This will open a **'Unlocked milestones'** gallery page.
