

# Using the e-Wall Chart for the Staff Challenge

Electronic or e-Wall Charts should be updated regularly throughout the 10 week Challenge so that staff can track what award level they are heading towards, inspiring them to be more physically active to achieve a higher award.

When finalising registration and student names into the PSC Tracker ([www.psctracker.com.au](http://www.psctracker.com.au)), the school principal or PSC facilitator can also add names of staff to participate in the Staff Challenge.

The **School Login Details** set up by the facilitator (school login username and password) should be provided to staff participants. The school facilitator can check or amend these details at any time by selecting the **Facilitator admin** tab, then **Edit** school login details.

Staff participants can use the username and password to log into the PSC Tracker ([www.psctracker.com.au](http://www.psctracker.com.au)) and update the e-Wall Chart with their weekly activity, and/or check that the data entered into their smartphone via the PSC app is synchronising.

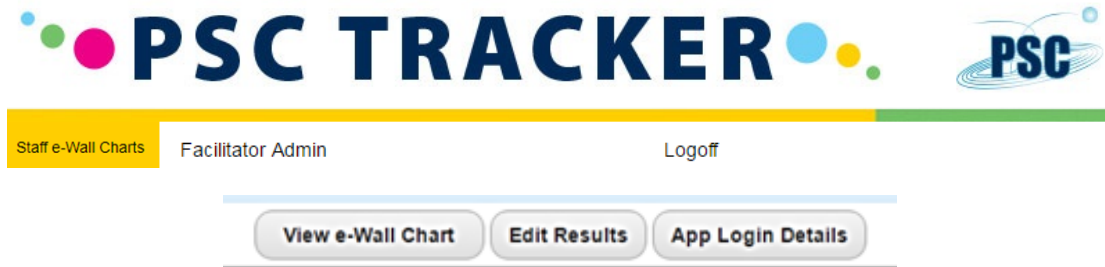

School Login

Enter your username & password to log into the Premier's Sporting Challenge weekly tracker

Username

Password

When logged in, select the **Staff e-Wall Charts** tab.

Staff participants will need their team code (connecting them to their school on the Tracker) and PIN code obtained via the **App Login Details** button.

Staff can download the free PSC Tracker app to their smart phone and use it as their personal activity record keeper. The app will automatically synchronise with the online PSC Tracker.

Alternatively, staff can use a Staff Challenge logbook and add weekly results into the online PSC Tracker by selecting the **Edit Results** button next to their name.

Staff may select from a range of award levels each week (diamond, gold, silver, bronze or encouragement) based on their activity time.

Name	Week 1
Sasha Dane	
Kara McKay	
Brad Miles	
Frank Peters	

Remember to select **Save Changes** in the top right corner.
