

AUSTSWIM Instructor workshop

The department's School Swimming and Water Safety Program in partnership with AUSTSWIM is offering K-12 teachers in NSW an opportunity to participate in the One Day AUSTSWIM Teacher of Swimming and Water Safety Certificate. The course is directed at classroom teachers who would like to support the delivery of a quality learn to swim and water safety program for their school. Candidates will be assessed through a combination of theory and practical assessments.

The workshop will consist of 3 main sessions with significant time given to participants developing safe and correct techniques in both theory and practical work in the pool.

Prior to the workshop participants will be required to complete a set of worksheets using the manual they will be sent on enrolment and also sample micro lessons. Post course candidates are required to complete an online exam and on the job competency training and assessment.

\$330.00 per candidate. Fee includes course manual, presenters' fees, venue hire and refreshments. A cancellation fee of \$99.00 will apply if insufficient notice is provided.

Assessment tasks on the day of the course include:

- Continuous Aquatic Sequence
- Water Safety and Rescue
- Teach Micro Lesson, associated plans prepared before the course

Following the course and within 12 months:

- Online Exam, Lesson plans, Practical teaching assessment (at least 4 hours)
