

## Frogs and lily pads

Time: 10 minutes

### Activity

#### Group

- Randomly distribute the hoops (lily pads) inside a "pond", making sure the hoops are not too far away from each other (jumping distance).
- Players jump from lily pad to lily pad and see how many they can land on, in a given amount of time (e.g. 60 seconds).
- If a player jumps onto a lily pad with another player already on it, the original player must quickly find another lily pad to jump onto, or the lily pad will sink!
- Players may jump into the pond as well as onto the lily pads.
- Place bean bags (bonus points) inside hula hoops. Players collect the bean bags as the game progresses.

### Equipment

- Hula hoops.
- Towels (can be used as a replacement for hula hoops).
- Chalk (can be used to draw rings as a replacement for hula hoops).
- Bean bags (optional).

### Activity variations

- Introduce a **tagger**.
- Players must jump around the pond and avoid the tagger.
- Players are safe if they are standing on a lily pad, but as soon as another player jumps on that lily pad the original player must find a new one.
- If a player is tagged, they become the new tagger.
