SELECTION POLICY

Students must compete at the Sydney East championship in order to allow them to be considered for selection in the team to compete at the NSWPSA state championships, unless they are:

- i) competing at a higher level school sporting competition.

In this case, a request for consideration for inclusion in the Sydney East team must be presented to the convener at least one week prior to the Sydney East championship. This is to be verified/endorsed by the student's Principal and Zone/District convener listing the student's Zone/District performance.

The student's Zone/District performance will be scored against the competitors at the Sydney East championship. Inclusion in the Sydney East team under these circumstances is subject to meeting the relevant NSWPSA entry processes. Submitting a consideration for inclusion does not guarantee inclusion in the Sydney East team.

- ii) the first three place getters will be considered for selection into the Sydney East representative team. In case of a tie for third place the convener shall determine selection for the third position by having a swim-off between the competitors concerned.
