

# Become a DoE Teacher of Swimming

**Would you like your classroom to be at the pool?**

Do you love swimming and teaching outdoors? Are you a water baby? Do you love all aquatic activities and sports? Are you passionate about children being safe in water?

School swimming and water safety are looking for qualified teachers to join our dedicated staff teaching at local pools during school hours. This is a great opportunity for energetic teachers who are flexible, fun and motivated to make a life-changing difference to their students.

- Ideal for teachers with children at school, fit teachers retired from the classroom, good swimmers, waterpolo players, surfers and more.

**This could be your dream job, too!**
